You've fallen in love reading about Christian Grey; you've seen the Fifty Shades movie. Now it's time for your next fix. Beyond undeniable passion is fierce love... Jesse Ward drowned her with his intensity and blindsided her with his passion, but he kept her away from his dark secrets and broken soul. Leaving him was the only way Ava O'Shea could survive, but she should have known that Jesse Ward is impossible to escape. Now he's back in her life, determined to remind her of the sensual pleasures they had shared, but Ava is equally determined to get at the truth beneath this man's steely exterior. That means letting herself get close to the Lord of the Manor once more. And it's exactly where Jesse wants her - within touching distance . . . Includes a brand-new bonus scene from Jesse's perspective. Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space. Book 1 of the #1 New York Times bestselling This Man series! Young interior designer Ava O'Shea has no idea what awaits her at the Manor. A run-of-the-mill consultation with a stodgy country gent seems likely, but what Ava finds instead is Jesse Ward--a devastatingly handsome, utterly confident, pleasure-seeking playboy who knows no boundaries. Ava doesn't want to be attracted to this man, and yet she can't control the overwhelming desire that he stirs in her. She knows that her heart will never survive him and her instinct is telling her to run, but Jesse is not willing to let her go. He wants her and is determined to have her. One man's quest to becoming a man that Hemingway would be proud to call un compadre. Ben Franklin. Teddy Roosevelt. John Wayne. Babe Ruth. Ernest Hemingway. Looking to follow in the footsteps of these manly men, Frank Minter decided to go to the places we all agree still make men. This quest led him across the world and finally to a secret fraternity of men who keep an ultimate rite of passage alive. Following the route of the iconic "Papa" Hemingway from Paris to Pamplona with he found that the answers to what happened to manliness, and therefore to what makes men, are in Hemingway's story. Part memoir, part how-to guide, This Will Make a Man of You narrates one man's journey to achieving manliness and uncovers a formula the ancients used to build men of character—a methodology that is still used in the places we all agree still make men. Even better, this formula can help all of us become all we want to be. Through his narrative, Minter recounts his decision to run with the bulls and his harrowing participation in that intense event with a secretive fraternity of men and women. As he goes he provides readers with sage advice on how they can accomplish their own feats of manliness by using an ancient formula. This is a must-read for every young man looking for a way to become man, for any middle-aged family man seeking adventure, and for all the other types of men in-between. This Will Make a Man Out of You should be read by every red-blooded male. The cult classic that can still change your life... From the Pulitzer Prize-winning New York Times reporter who has defined Donald J. Trump's presidency like no other journalist: a magnificent and disturbing reckoning that chronicles his life and its impact, from his rise in New York City to his tortured postpresidency. All of Trump's behavior as president had echoes in what came before. In this revelatory and news-making book, Haberman brings together the events of his life into a single mesmerizing work. It is the definitive account of one of the most norms-shattering and consequential eras in American political history. In this toe-tapping jazz tribute, the traditional "This Old Man" gets a swinging makeover, and some of the era's best musicians take center stage. The tuneful text and vibrant illustrations bop, slide, and shimmy across the page as Satchmo plays one, Bojangles plays two . . . right on down the line to Charles Mingus, who plays nine, plucking strings that sound "divine." Easy on the ear and the eye, this playful introduction to nine jazz giants will teach children to count--and will give them every reason to get up and dance! Includes a brief biography of each musician. Andy Kaufman defied explanation. Between 1978 and 1979, acclaimed novelist and New Yorker short story writer Julie Hecht attempted to arrange an interview with him, hoping to discover how he came to do what he did. The one-hour interview turned into innumerable surreal meetings and phone conversations with her subject; but she couldn't always

tell when his act was on. Whether driving recklessly on icy roads or drawing the author unawares into his schemes and Dada-esque pranks on unsuspecting waiters and college students, Andy Kaufman never seemed to separate himself from his stage personality -- or personalities. Was This Man a Genius? is the culmination of a series of bizarre, frequently hilarious meetings. In describing them, Hecht, herself a master of wit and observation, illuminates the enigma of Andy Kaufman's work and life. A NEW NOVELLA IN THE THIS MAN SERIES! You don't need to read the series to enjoy this story. But if you're already a Jesse Ward fan, just wait until you see the advice he gives Drew about falling in love. I thought I had control. I was so, so wrong... I don't need a relationship. I have Hux, a decadent club where I quench whatever raw desire I choose. I take pleasure and I give it - no strings attached. So when Raya Rivers comes in asking for someone cold, emotionless, and filthy... well, no man ever takes his wicked pleasure quite the way I do. Only Raya is different. Vulnerable. And carrying some deep sorrow that gets past all my carefully constructed walls and inexplicably makes me care. Now craving controls me. Ice has given way to red-hot need. But Raya has no idea about my other life - my real life. That I'm daddy to an adorable little girl. My two worlds are about to collide with the force of a supernova. Once Raya knows the truth, will she be able to accept all I am? Includes a special preview of THE FORBIDDEN, a standalone novel coming in August. "A heart-pounding roller coaster ride."—Tami Hoag, #1 New York Times bestselling author of The Boy *A Crime Reads Most Anticipated Book of 2021* A serial killer and his copycat are locked in a violent game of cat and mouse. Can DI Anjelica Henley stop them before it's too late? On the day she returns to active duty with the Serial Crimes Unit, Detective Inspector Anjelica Henley is called to a crime scene. Dismembered body parts from two victims have been found by the river. The modus operandi bears a striking resemblance to Peter Olivier, the notorious Jigsaw Killer, who has spent the past two years behind bars. When he learns that someone is co-opting his grisly signature—the arrangement of victims' limbs in puzzle-piece shapes—he decides to take matters into his own hands. As the body count rises, DI Anjelica Henley is faced with an unspeakable new threat. Can she apprehend the copycat killer before Olivier finds a way to get to him first? Or will she herself become the next victim? Drawing on her experience as a criminal attorney, debut novelist Nadine Matheson delivers the page-turning crime novel of the year. Taut, vivid and addictively sinister, The Jigsaw Man will leave you breathless until the very last page. Here comes the bride . . . there goes the groom. Penny Bracket waited two years to marry dream man Bram Shiraz. Then on the morning of the Big Day, while she's trying on her veil, Penny receives the worst two-line letter of her life: "Penny, I can't go through with it. Sorry, Bram." Penny's hurt and upset. But Esther, Penny's divorced mom, wants Bram's head on a platter. So Mom ambushes the cold-footed coward before he hot-foots it out of town, bonks him on the head with a champagne bottle, and spirits him away to a hidden room in her gargantuan mansion in Short Hares, New Jersey. Esther doesn't want much. All Bram has to do is write personal, heartfelt apologies to each of the two hundred disappointed wedding guests . . . and eat every mouthful of the very expensive gourmet wedding feast that has gone to waste. Then he'll be free to leave. Penny doesn't want Bram tortured. She just wants answers to "why" . . . and maybe a little revenge. Will she discover her runaway groom is locked away in the attic? Will Bram's widowed father—handsome tough-guy Keith Shiraz—be able to locate his missing son . . . and maybe seduce Esther Bracket in the bargain? Will Bram be able to maintain his athletic figure after consuming two hundred entrées and thousands of baby quiches? Read on! Krauss’s depictions of the nuances of sex and love, intimacy and dependence, call to mind the work of Natalia Ginzburg in their psychological profundity, their intellectual rigor. . . . Krauss’s stories capture characters at moments in their lives when they’re hungry for experience and open to possibilities, and that openness extends to the

stories themselves: narratives too urgent and alive for neat plotlines, simplistic resolutions or easy answers.” —Molly Antopol, New York Times Book Review “From a contemporary master, an astounding collection of ten globetrotting stories, each one a powerful dissection of the thorny connections between men and women. . . . Each story is masterfully crafted and deeply contemplative, barreling toward a shimmering, inevitable conclusion, proving once again that Krauss is one of our most formidable talents in fiction.” —Esquire In one of her strongest works of fiction yet, Nicole Krauss plunges fearlessly into the struggle to understand what it is to be a man and what it is to be a woman, and the arising tensions that have existed from the very beginning of time. Set in our contemporary moment, and moving across the globe from Switzerland, Japan, and New York City to Tel Aviv, Los Angeles, and South America, the stories in *To Be a Man* feature male characters as fathers, lovers, friends, children, seducers, and even a lost husband who may never have been a husband at all. The way these stories mirror one other and resonate is beautiful, with a balance so finely tuned that the book almost feels like a novel. Echoes ring through stages of life: aging parents and new-born babies; young women’s coming of age and the newfound, somewhat bewildering sexual power that accompanies it; generational gaps and unexpected deliveries of strange new leases on life; mystery and wonder at a life lived or a future waiting to unfold. *To Be a Man* illuminates with a fierce, unwavering light the forces driving human existence: sex, power, violence, passion, self-discovery, growing older. Profound, poignant, and brilliant, Krauss’s stories are at once startling and deeply moving, but always revealing of all-too-human weakness and strength. The instant New York Times bestseller about one man's battle to save hundreds of jobs by demonstrating the greatness of American business. The Bassett Furniture Company was once the world's biggest wood furniture manufacturer. Run by the same powerful Virginia family for generations, it was also the center of life in Bassett, Virginia. But beginning in the 1980s, the first waves of Asian competition hit, and ultimately Bassett was forced to send its production overseas. One man fought back: John Bassett III, a shrewd and determined third-generation factory man, now chairman of Vaughan-Bassett Furniture Co, which employs more than 700 Virginians and has sales of more than \$90 million. In *FACTORY MAN*, Beth Macy brings to life Bassett's deeply personal furniture and family story, along with a host of characters from an industry that was as cutthroat as it was colorful. As she shows how he uses legal maneuvers, factory efficiencies, and sheer grit and cunning to save hundreds of jobs, she also reveals the truth about modern industry in America. White working-class conservatives have played a decisive role in American history, particularly in their opposition to social justice movements, radical critiques of capitalism, and government help for the poor and sick. While this pattern is largely seen as a post-1960s development, *Poor Man's Fortune* tells a different story, excavating the long history of white working-class conservatism in the century from the Civil War to World War II. With a close study of metal miners in the Tri-State district of Kansas, Missouri, and Oklahoma, Jarod Roll reveals why successive generations of white, native-born men willingly and repeatedly opposed labor unions and government-led health and safety reforms, even during the New Deal. With painstaking research, Roll shows how the miners' choices reflected a deep-seated, durable belief that hard-working American white men could prosper under capitalism, and exposes the grim costs of this view for these men and their communities, for organized labor, and for political movements seeking a more just and secure society. Roll's story shows how American inequalities are in part the result of a white working-class conservative tradition driven by grassroots assertions of racial, gendered, and national privilege. From #1 New York Times bestselling author Jeffrey Archer The sweeping saga of the Cliftons—across generations, from Europe to America, through heartache and rivalry and triumph—is about to reach its stunning conclusion. Harry Clifton’s story began in 1920, as a dock worker in England, and now he is set to write his magnum opus. As he reflects on his days, the lives of his family continue to unfold, unravel, and intertwine in ways no one could have imagined . . . Harry’s wife Emma, who just completed her time at the Bristol Royal Infirmary, receives a surprise call from Margaret Thatcher. Meanwhile, Giles Barrington discovers a shocking truth about his wife, Karin. Sebastian Clifton becomes chairman of Farthings Kaufman bank, but only after Hakim Bishara’s abrupt resignation. Sebastian’s daughter Jessica is expelled from school, but her aunt Grace comes to the rescue. And Lady Virginia, who is set to flee the country to avoid her creditors, finds an opportunity to clear her debts after the Duchess of Hertford dies—and a way to finally trump the Cliftons and Barringtons. *Reproduction of the original: This Man’s Wife* by George Manville Fenn A GRIPPING, FEARLESS EXPLORATION OF MASCULINITY The effects of traditionally defined masculinity have become one of the most prevalent social issues of our time. In this engaging and provocative new book, beloved actor, director, and social activist Justin Baldoni reflects on his own struggles with masculinity. With

insight and honesty, he explores a range of difficult, sometimes uncomfortable topics including strength and vulnerability, relationships and marriage, body image, sex and sexuality, racial justice, gender equality, and fatherhood. Writing from experience, Justin invites us to move beyond the scripts we've learned since childhood and the roles we are expected to play. He challenges men to be brave enough to be vulnerable, to be strong enough to be sensitive, to be confident enough to listen. Encouraging men to dig deep within themselves, Justin helps us reimagine what it means to be man enough and in the process what it means to be human. A historical romance set in eighteenth-century Naples follows the fortunes of a British ambassador, the ravishing woman he marries, and the young British admiral with whom she falls in love. By the author of the National Book Award-winning *In America*. Reprint. Until her French father walks out of her life at twelve Helen Wilton is H  l  ne Fournier. Apart from her name, the plucky, smart and affectionate young girl also loses an indefinable part of her essence. Helen grows up to become a mass of intriguing contradictions: as warm-hearted as she is sharp-witted, as steadfast in her friendships as she is eclectic in her loves, as worldly and stylish as she is bookish and academic. And when she gets tripped up by the contradictions - or by the absurd and confusing vagaries of love - Helen picks herself up and gets on with it because she's too much of a one-off to wait around to be rescued. Maybe she'll never stop having to pick herself up. Or maybe she'll realize that rediscovering the inner H  l  ne and facing the loss of her father are the keys to her future ... and to finding real love. In this stunning debut novel Alison Jameson has created a captivating heroine and written a wonderfully witty, tender, knowing and truly original story of modern love. The remarkable life of violinist and teacher Shinichi Suzuki, who pioneered an innovative but often-misunderstood philosophy of early childhood education—now known the world over as the Suzuki Method. The name Shinichi Suzuki is synonymous with early childhood musical education. By the time of his death in 1998, countless children around the world had been taught using his methods, with many more to follow. Yet Suzuki's life and the evolution of his educational vision remain largely unexplored. A committed humanist, he was less interested in musical genius than in imparting to young people the skills and confidence to learn. Eri Hotta details Suzuki's unconventional musical development and the emergence of his philosophy. She follows Suzuki from his youth working in his father's Nagoya violin factory to his studies in interwar Berlin, the beginnings of his teaching career in 1930s Tokyo, and the steady flourishing of his practice at home and abroad after the Second World War. As Hotta shows, Suzuki's aim was never to turn out disciplined prodigies but rather to create a world where all children have the chance to develop, musically and otherwise. Undergirding his pedagogy was an unflagging belief that talent, far from being an inborn quality, is cultivated through education. Moreover, Suzuki's approach debunked myths of musical nationalism in the West, where many doubted that Asian performers could communicate the spirit of classical music rooted in Europe. Suzuki touched the world through a pedagogy founded on the conviction that all children possess tremendous capacity to learn. His story offers not only a fresh perspective on early childhood education but also a gateway to the fraught history of musical border-drawing and to the makings of a globally influential life in Japan's tumultuous twentieth century. The award-winning author of *The Madonnas of Echo Park* traces his turbulent childhood under the shadow of his dynamic mother and five stepfathers, describing how his mother reinvented their pasts in ways that challenged the author's efforts to reconnect with his biological father. An outrageous concoction of wild, warm, and lightning-paced hilarity that is perfect for the entire family. (Applause Books). Anthony Burgess was the author of over 50 books, including his best known novel, "A Clockwork Orange." But Burgess always emphasized music as the ruling passion in his creative life. Largely self-taught in music, Burgess composed his first symphony before he was twenty, many years before his first novel, and he was the composer of over 65 musical works. In these deeply insightful meditations, the renowned writer explores the meaning of music, the intention of the composer and the process of composition, and the seemingly elusive relationships between literature and music. Burgess shows how "the process of literary composition are revealed by the writers themselves" and then gathers evidence to understand the "inexplicable magic" of the details of the operation of music what is music's "intelligibility"? From Shakespeare to the lyric verse of Gerard Manley Hopkins, from the modernists T.S. Eliot and James Joyce to the modern lyricists Lorenz Hart and Stephen Sondheim, Burgess reveals how prose writers have struggled to tap the inherent musicality of their material. This treasured classic, at last back in print, provides a fascinating perspective on the mutually enriching relationship of these two creative arts by a man who mastered them both. **BEST BOOK OF THE YEAR:** The New York Times • The Washington Post • Fortune • Bloomberg From two of America's most revered political journalists comes the definitive biography of legendary White House chief of staff and secretary of

state James A. Baker III: the man who ran Washington when Washington ran the world. For a quarter century, from the end of Watergate to the aftermath of the Cold War, no Republican won the presidency or ran the White House without the advice of James Addison Baker III. A scion of Texas aristocracy who became George H. W. Bush's tennis partner, Baker had never worked in Washington until a devastating family tragedy struck when he was thirty-nine. Within a few years, he was leading Gerald Ford's campaign and would go on to manage a total of five presidential races and win a sixth for George W. Bush in a Florida recount. He ran Ronald Reagan's White House and became the most consequential secretary of state since Henry Kissinger. Ruthlessly partisan during campaign season, Baker became an indispensable dealmaker after the election. He negotiated with Democrats at home and Soviets abroad, rewrote the tax code, assembled the coalition that won the Gulf War, brokered the reunification of Germany, and helped bring a decades-long nuclear superpower standoff to an end. Brilliantly crafted by Peter Baker of *The New York Times* and Susan Glasser of *The New Yorker*, *The Man Who Ran Washington* is a page-turning study in the acquisition, exercise, and preservation of power in late twentieth-century America and the story of Washington when Washington ran the world. Their masterly biography is necessary reading and destined to become a classic.

A work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945. "This crazy, gorgeous family novel" written at the end of the Great Depression "is one of the great literary achievements of the twentieth century" (Jonathan Franzen, *The New York Times*). First published in 1940, *The Man Who Loved Children* was rediscovered in 1965 thanks to the poet Randall Jarrell's eloquent introduction (included in this ebook edition), which compares Christina Stead to Leo Tolstoy. Today, it stands as a masterpiece of dysfunctional family life. In a country crippled by the Great Depression, Sam and Henny Pollit have too much—too much contempt for one another, too many children, too much strain under endless obligation. Flush with ego and chilling charisma, Sam torments and manipulates his children in an esoteric world of his own imagining. Henny looks on desperately, all too aware of the madness at the root of her husband's behavior. And Louie, the damaged, precocious adolescent girl at the center of their clashes, is the "ugly duckling" whose struggle will transfix contemporary readers. Named one of the best novels of the twentieth century by *Newsweek*, Stead's semiautobiographical work reads like a Depression-era *The Glass Castle*. In the *New York Times*, Jonathan Franzen wrote of this classic, "I carry it in my head the way I carry childhood memories; the scenes are of such precise horror and comedy that I feel I didn't read the book so much as live it." With 180 photographs by Pulitzer-Prize-winning photojournalist John White and elegant text from author, psychologist, and friend Eugene Kennedy, the life of Joseph Cardinal Bernardin, Archbishop of Chicago, is deftly and sensitively portrayed. *The Gutenberg Galaxy* catapulted Marshall McLuhan to fame as a media theorist and, in time, a new media prognosticator. Fifty years after its initial publication, this landmark text is more significant than ever before. Readers will be amazed by McLuhan's prescience, unmatched by anyone since, predicting as he did the dramatic technological innovations that have fundamentally changed how we communicate. *The Gutenberg Galaxy* foresaw the networked, compressed 'global village' that would emerge in the late-twentieth and twenty-first centuries — despite having been written when black-and-white television was ubiquitous. This new edition of *The Gutenberg Galaxy* celebrates both the centennial of McLuhan's birth and the fifty-year anniversary of the book's publication. A new interior design updates *The Gutenberg Galaxy* for twenty-first-century readers, while honouring the innovative, avant-garde spirit of the original. This edition also includes new introductory essays that illuminate McLuhan's lasting effect on a variety of scholarly fields and popular culture. A must-read for those who inhabit today's global village, *The Gutenberg Galaxy* is an indispensable road map for our evolving communication landscape.

H. G. Wells's passionate and influential manifesto—never before available in the United States—was first published in England in 1940 in response to World War II. The progressive ideas Wells set out were instrumental in the creation of the UN's Universal Declaration of Human Rights, the European Convention on Human Rights, and the UK's Human Rights Act. In the face of a global miscarriage of justice, *The Rights of Man* made a clear statement of mankind's responsibilities to itself. Seventy-five years later we are again witnessing a humanitarian crisis, with human rights in developed nations under threat and millions of refugees displaced. A new introduction to Wells's work by award-winning novelist Ali Smith underlines the continuing urgency and relevance of one of the most important humanitarian texts of the twentieth century. The day after Jesus' death, whatever small mark he made on the world seemed destined to disappear. Instead, his impact on human history has been unparalleled, leading

believers and nonbelievers alike to ask, Who Is This Man? In *Who Is This Man*, bestselling author John Ortberg explores the paradox of Jesus, history's most familiar figure while simultaneously the man no one knows. *Who Is This Man* traces Jesus' incredible life and legacy from his days on Earth to the present moment, showing us: How his vision of life continues to haunt and challenge humanity The ways his influence has inspired movements in art, science, government, medicine, and education How his lessons about dignity, compassion, forgiveness, and hope continue to influence humanity Join John Ortberg as he shares how Jesus' influence has swept over history and how his vision of life continues to impact us today. Praise for *Who Is This Man?*: "Sometimes in the clutter and noise of 'religion,' we lose sight of who Jesus is. Once again, John Ortberg helps us do what he does best: he helps us see God as he really is and connect with him amid all the noise. This book is a gift." --Dr. Henry Cloud, psychologist, coauthor of the bestselling *Boundaries* books "We live in a period where the divide between the secular and the sacred has never been greater. *Who Is This Man?* bridges this gap by sharing in his inimitable and entertaining style the undeniable and profound impact of Jesus Christ on our world. His impact, over two thousand years later, is more profound on the day-to-day lives of people--believers or not--than the impact of any other person at any point in history. John shows how Christ came to teach us how to live and in the process changed the world forever and for good." --Ron Johnson, CEO, J. C. Penney

Suddenly, a furious storm came up on the lake, so that the waves swept over the boat. But Jesus was sleeping. The disciples went and woke Him, saying, "Lord, save us! We're going to drown!" He replied, "You of little faith why are you so afraid?" Then He got up and rebuked the winds and waves, and it was completely calm. The men were amazed and asked "What kind of man is this? Even the winds and waves obey Him!" Matthew 8:24-27 (NIV)

Often, we can find ourselves lost in the wonder of what God is capable of. But, we can also at times lose track of what it means to be children of God. Many believe that if you walk with the Lord that you should not face trials, but this is not true; rather, you walk with the Lord through the trials. He can calm the raging storm in an instant, but sometimes we must face it with Him. In her book, *What Kind of Man Is This?*, author Nkechi Chinedum Uwaga shares a glimpse into her loving relationship with her Savior Jesus Christ. Her personal testimonies provide a thoughtful and insightful look into the glory that the Lord is capable of and what life can look like if you are close to the Lord. This journey of love, faith, God's faithfulness, and answered prayers invites others to embrace the Savior in their lives. The path that God led Nkechi and her family down is now the bedrock of her faith. She is sharing her story here in hopes that you may find similarities with your own experiences and see how the Lord may work in your life. Discover how the Lord will help provide for you, will answer prayers, and can bless your life. If you are in the eye of a storm, cling to the Lord. We will be tested, and we will face hard times--but Jesus can help you through the storm and calm the seas you are traveling in your Christian journey.

ABOUT THE AUTHOR: Nkechi Chinedum Uwaga is a minister of the gospel, a missionary and an international conference speaker. She is the vice president of 'We Impact Africa' and pastors alongside her husband of God's Favorite house Church Aba Nigeria. She is the author of the book 'Ask and it will be given to you.' generational tale of a father and son caught in the crosshairs of an investigation to catch a serial killer preying on a small town. After the sudden death of his wife, Tom Kennedy believes a fresh start will help him and his young son Jake heal. A new beginning, a new house, a new town. Featherbank. But the town has a dark past. Twenty years ago, a serial killer abducted and murdered five residents. Until Frank Carter was finally caught, he was nicknamed "The Whisper Man," for he would lure his victims out by whispering at their windows at night. Just as Tom and Jake settle into their new home, a young boy vanishes. His disappearance bears an unnerving resemblance to Frank Carter's crimes, reigniting old rumors that he preyed with an accomplice. Now, detectives Amanda Beck and Pete Willis must find the boy before it is too late, even if that means Pete has to revisit his great foe in prison: The Whisper Man. And then Jake begins acting strangely. He hears a whispering at his window...

INSTANT NEW YORK TIMES BESTSELLER An urgent primer on race and racism, from the host of the viral hit video series "Uncomfortable Conversations with a Black Man" "You cannot fix a problem you do not know you have." So begins Emmanuel Acho in his essential guide to the truths Americans need to know to address the systemic racism that has recently electrified protests in all fifty states. "There is a fix," Acho says. "But in order to access it, we're going to have to have some uncomfortable conversations." In *Uncomfortable Conversations With a Black Man*, Acho takes on all the questions, large and small, insensitive and taboo, many white Americans are afraid to ask—yet which all Americans need the answers to, now more than ever. With the same open-hearted generosity that has made his video series a phenomenon, Acho explains the vital core of such fraught concepts as white privilege, cultural appropriation, and "reverse racism." In his own words, he provides a space of compassion and understanding in a discussion that can lack both. He asks only for the reader's curiosity—but along the way, he will galvanize all of us to join the antiracist fight. **THE STUNNING CONCLUSION TO THE THIS MAN TRILOGY IS A #1 NEW YORK TIMES BESTSELLER!**

The first combat memoir of the War on Terrorism: the gripping story of a young man's transformation into a twenty-first-century warrior. Born into a family with a long history of military service dating back to the Revolutionary War, Andrew Exum enrolled in Army ROTC to pay for his Ivy League education. Shortly after graduation in 2000, he joined the infantry, then endured the grueling rigors of Ranger School before becoming a platoon leader with the storied 10th Mountain Division. He thought that perhaps, if he was lucky, he and his men would see action on a peacekeeping mission. Then came the fateful events of September 11, 2001. Called to action as a twenty-three-year-old, he led his troops into Afghanistan to root out the hard-core remnants of Osama bin

Laden's forces. Thrown into the maelstrom of modern war, Exum contended with Afghani warlords, cable news correspondents, and the military bureaucracy while hunting a desperate enemy in a treacherous land—and on a mountain ridge in the Shah-e-Kot Valley he would confront and kill an al-Qaeda fighter. After returning home, Exum struggled to come to terms with the media coverage and public perception of the war while seeking to make peace with the man he had become. By turns harrowing and reflective, this powerful memoir gives voice to a generation of soldiers that has risen to confront the threats of a dangerous new world.
