**Apologetics Study Bible for Students** Nov 23 2020 Like the acclaimed Apologetics Study Bible that has sold 115,000+ copies, the Apologetics Study Bible for Students will anchor younger Christians in the truths of Scripture by equipping them with thoughtful and practical responses for whenever the core issues of their faith and life are challenged. Multiple research studies have shown that spiritual focus often weakens among teenagers as they head into the attention-dividing realm of young adulthood. Up to 66% of them leave church altogether. The Apologetics Study Bible for Students works against that trend by helping this audience begin to better articulate its beliefs. In addition to the complete HCSB text and dozens of articles collected from today's most popular youth leaders, including general editor Sean McDowell, this new study Bible also includes:

- Two-color design-intensive layout on every page for the visual generation
- Sixty “Twisted Scriptures” explanations
- Fifty “Bones & Dirt” entries (archaeology meets apologetics)
- Fifty “Notable Quotes”
- Twenty-five “Tactics” against common anti-Christian arguments
- Twenty “Personal Stories” of how God has worked in real lives
- Twenty “Top Five” lists to help remember key apologetics topics

Life Essentials Study Bible Sep 02 2021 "So what?" That's the response many people have to the Bible. Read a passage, interpret it, and still they ask, "So, what difference does that make in my life?" In the Life Essentials Study Bible, renowned Bible teacher Gene Getz complements the full text of the popular HCSB translation by elaborating on 1,500 principles in Scripture that are as relevant today as when the sixty-six books of the Bible were written. Distilling these truths into principles, Getz helps the reader more easily remember and effectively apply the Bible's wisdom to everyday life. He explains how each of these principles represents a supracultural truth - one that can and should be applied at any moment in history and in every cultural situation. In addition, the Life Essentials Study Bible was created with an integrated digital study system--more than 250 hours of free online coaching content led by Getz--that fosters a greater understanding of the Bible's grand story. Along the way, Getz adds pertinent questions in print to inspire personal reflection or group discussion of each principle. There's also an introduction to each book of the Bible and its list of corresponding principles, plus a topical index and cross references for all 1,500 principles.

Other features of this dynamic study Bible - available in six different editions - include a two-piece gift box (leather editions only) as well as a presentation page. "Owning a copy of this astounding project containing the prodigious work and wisdom of my friend and mentor Gene Getz will be like having him in the next room -- available to advise me on every passage. Being able to access his video teaching on each of the 1,500 'Principles to Live By' is a breakthrough approach, making this truly the first multi-media study Bible. What a treasure! I know it will inform my own writing." Jerry Jenkins, owner, Christian Writer's Guild, and author of the Left Behind series

Yet even among the many unusual members of the traveling circus-city, Sorina stands apart as the only illusion-worker born in hundreds of years. This rare talent allows her to create illusions that others can see, feel and touch, with personalities all their own. they may seem, her illusions are still just that—illusions, and not truly real. Or so she always believed...until one of them is murdered. Desperate to protect her family, Sorina must track down the culprit and determine how they killed a person who doesn't actually exist. Her search for answers leads her to the self-proclaimed gossip-worker Luca.
