A convenient size: 6 by 9 inches. Pages: 120 Cover: Matte Finish Paper Color: White Inside Page Color: Black & White Track main safety checkpoints every day on each truck before employees operate fork lifts. This book prompts employees to check safety features such as fluid levels, gauges, tires, battery, lift system, plates, stickers, exhaust, belts, and hydraulic controls, and prompts employees to include their initials. There is also a signature log to record employees' printed names and examples of their initials for tracking purposes. Further, several pages at the back of the book prompt mechanics to record the dates, billing numbers, parts numbers, and a narrative of services performed for preventative maintenance on each truck. This book is meant to stay with a single truck, and there is room at the front of the book to record identification information about each individual truck. That is, all powered equipment is thoroughly checked, thoroughly maintained, and safe to use. These Daily Inspection Checklist books are an easy and affordable solution for your business. Designed to provide powered equipment operators with a safety and maintenance checklist to be filled out before each shift Can be used for vehicles internal combustion. The Daily Inspection Checklist books allow for simple step-by-step documentation which will protect workers who operate powered equipment and safeguard those who work in their environment by documenting and reporting all safety concerns. These books assist in adhering to OSHA'S requirements of Daily Inspections, while allowing for great record retention, and minimizes liability. To protect your company and to prove that you are doing the inspections you will want to document them. From the books: "According to OSHA regulations, forklift inspections should be conducted on a daily basis at the start of the operator's shift. It is the operator's responsibility to fully inspect the forklift before it is placed into service and report any abnormalities to their supervisor. Operations that run multiple shifts are required to perform a pre-use inspection at the beginning of every shift." This book is: 1) Easy to use 2) Designed for single shift work 3) Neat and easy to handle 4) 7 days checks per page 5) 52 weeks worth of checks, perfect for annual inspections and record retention. 6) Carbonless.
