*Wild Things Aug 10 2021 Let your imagination run wild with over 100 magical outdoor adventures in this fantastical activity book. Track dragons, brew witches' potions, build snow unicorns, discover trolls, and bring tree monsters to life and lots more as you get creative, learn new skills and take a giant leap into the world of Wild Things!*

*Wild Things Aug 22 2022 An irresistible, nostalgic, insightful—and totally original—ramble through classic children's literature from Vanity Fair contributing editor (and father) Bruce Handy. "Consistently intelligent and funny...The book succeeds wonderfully." —The New York Times Book Review "A delightful excursion...Engaging and full of genuine feeling." —The Wall Street*

*Journal "Pure pleasure." —Vanity Fair "Witty and engaging...Deeply satisfying." —Christian Science Monitor* In 1690, the dour New England Primer, thought to be the first American children's book, was published in Boston. Offering children gems of advice such as "Strive to learn" and "Be not a dunce," it was no fun at all. So how did we get from there to "Let the wild rumpus start"? And now that we're living in a golden age of children's literature, what can adults get out of reading *Where the Wild Things Are* and *Goodnight Moon*, or *Charlotte's Web* and *Little House on the Prairie*? In *Wild Things*, Bruce Handy revisits the classics of American childhood, from fairy tales to *The Very Hungry Caterpillar*, and explores the backstories of their creators, using context and biography to understand how some of the most insightful, creative, and witty authors and illustrators of their times created their often deeply personal masterpieces. Along the way, Handy learns what *The Cat in the Hat* says about anarchy and absentee parenting, which themes link *The Runaway Bunny* and *Portnoy's Complaint*, and why *Ramona Quimby* is as true an American icon as *Tom Sawyer* or *Jay Gatsby*. It's a profound, eye-opening experience to reencounter books that you once treasured after decades apart. A clear-eyed love letter to the greatest children's books and authors, from Louisa May Alcott and L. Frank Baum to Eric Carle, Dr. Seuss, Mildred D. Taylor, and E.B. White, *Wild Things* will bring back fond memories for readers of all ages, along with a few surprises.

*Wild Thing Feb 28 2023* It's hard to find work as a doctor when using your real name will get you killed. So hard that when a reclusive billionaire offers Dr. Peter Brown, aka Pietro Brnwa, a job accompanying a sexy but self-destructive paleontologist on the world's worst field assignment, Brown has no real choice but to say yes. Even if it means that an army of murderers, mobsters, and international drug dealers -- not to mention the occasional lake monster -- are about to have a serious Pietro Brnwa problem. Facing new and old monsters alike, Dr. Brnwa's story continues in this darkly funny and lightning-paced follow up to Josh Bazell's

*bestselling debut.*

*Where the Wild Things Bite Dec 02 2020 In Molly Harper's witty new paranormal romance, a rare-book expert is delivering a package to Half Moon Hollow when her plane goes down, and a sexy vampire comes to her rescue. He's clearly got ulterior motives, but does he want to date her...or devour her? Delivering a rare book to a valued customer is definitely part of mild-mannered archivist Anna Whitfield's job description. You know what isn't? Protecting her precious cargo from mid-flight theft by the very pilot who is flying her to Half-Moon Hollow...while trying to appear as unappetizing as possible to the only other passenger, a vampire. Undead bookstore owner Jane Jameson could be waiting a very long time for her book. Possibly forever. Fortunately, Anna's dashing fanged companion Finn Palmeroy helps her fend off the attack, but not before their plane crash lands in the forest hundreds of miles from civilization. Great, now she's stranded with a priceless tome and a rakish vampire whose bedtime is fast approaching. Why does everyone want this book so badly, anyway? Anna just wants to get it to Jane before Finn decides to turn her into dinner—or sweep her off her feet. Okay, the second option is really tempting. But they're not out of the woods yet...*

*Wild Things Happen When I Pray May 07 2021 Through inspiring, true stories, popular youth and adult speaker Becky Tirabassi stresses how prayer in a believer's life will lead to evangelism opportunities and demonstrates how to make faith relevant and appealing to neighbors and friends. A must-read for those looking for practical ways to share their faith and impact the world in which they live.*

*Water, Wood, and Wild Things Jan 15 2022 "With this book, you feel you can stop time and savor the rituals of life." --Maira Kalman An immersive journey through the culture and cuisine of one Japanese town, its forest, and its watershed--where ducks are hunted by net, saké is brewed from the purest mountain water, and charcoal is fired in stone kilns--by an American writer and food stylist who*

*spent years working alongside artisans One night, Brooklyn-based artist and food writer Hannah Kirshner received a life-changing invitation to apprentice with a "saké evangelist" in a misty Japanese mountain village called Yamanaka. In a rapidly modernizing Japan, the region--a stronghold of the country's old-fashioned ways--was quickly becoming a destination for chefs and artisans looking to learn about the traditions that have long shaped Japanese culture. Kirshner put on a vest and tie and took her place behind the saké bar. Before long, she met a community of craftspeople, farmers, and foragers--master woodturners, hunters, a paper artist, and a man making charcoal in his nearly abandoned village on the outskirts of town. Kirshner found each craftsperson not only exhibited an extraordinary dedication to their work but their distinct expertise contributed to the fabric of the local culture. Inspired by these masters, she devoted herself to learning how they work and live. Taking readers deep into evergreen forests, terraced rice fields, and smoke-filled workshops, Kirshner captures the centuries-old traditions still alive in Yamanaka. Water, Wood, and Wild Things invites readers to see what goes into making a fine bowl, a cup of tea, or a harvest of rice and introduces the masters who dedicate their lives to this work. Part travelogue, part meditation on the meaning of work, and full of her own beautiful drawings and recipes, Kirshner's refreshing book is an ode to a place and its people, as well as a profound examination of what it means to sustain traditions and find purpose in cultivation and craft.*

*Where the Wild Things are Dec 26 2022 A naughty little boy, sent to bed without his supper, sails to the land of the wild things, where he becomes king.*

*Wild Thing Oct 20 2019 Kidnapping her was the easy part. Now I've got to tame her. Runaway corporate princess, Lyssa Baylor, was born with a silver spoon in her mouth. But that's not what I'll be sticking in there. LYSSA Freelance princess hunter, Mason Macintyre, thinks he's so tough with those bulging muscles. He thinks he's so smart with his plan to tame me with spankings and*

submission. Well, I've got news for him. They don't call me Wild Thing for nothing. I've been playing unruly princess my whole life and I'm not about to stop now. MASON This was supposed to be a simple kidnap job. Catch her and bring her in so she can be married off to the son of a family friend. But once her father realizes the man he hired to reform his unruly brat of a daughter won't be able to handle her, he blackmails me into completing the job. No one blackmails me, I don't care how rich and powerful you are. Her father might be untouchable, but Lyssa isn't. I'm gonna touch her all over and punish her so hard, that forced marriage will be her only way out of my little princess reform school. WILD THING is a smokin'-hot, sexy story of a runaway princess and her reluctant Prince Charming. A tantalizing tale of forced marriage, captive submission, and a hero who doesn't know he's a hero until he meets the girl he was meant to save.

*Where the Wild Things Are: Max Plush Toy and Sticker Book Sep 11 2021* An adorable keepsake for young children and fans of all ages of *Where the Wild Things Are*, one of the most highly acclaimed, award-winning and bestselling children's books of all time. Kit includes a mini plush figurine of Max, a removable paper crown to top off Max's costume, and 16-page book of stickers featuring full-color artwork from the original Maurice Sendak book.

*Domesticated Wild Things, and Other Stories Mar 17 2022* Just down the highway from Connecticut's Gold Coast is the state's rusty underbelly, the wretched, used-up sort of place where you might find Xhenet Aliu's *Domesticated Wild Things*: the reluctant mothers, delinquent dads, and not-quite-feral children, yet dreamers all. These are the children of immigrants who found boarded-up brass mills instead of the gilded streets of America; they're the teenaged girls raised in the fluorescent glow of Greek diners, the middle-aged men with pump trucks and teratomas. These are people who have fled, or who should have. And if they are indeed familiar, it is because Aliu writes what is real, whether we ourselves, her readers, have seen it up close or not. And her stories make sense in a way

*that matters. A young mother buys into a real-estate investment seminar offered on an infomercial, only to be put back into her place by a bully in foreclosure. A closeted wrestler befriends a latchkey seven-year-old neighbor who harbors secrets of her own. A YMCA counselor tries to reclaim shoes stolen by a troubled young camper. What they share is a biting humor, an eye for the absurd, and fumbling attempts at human connection, all rendered irresistible--and as moving as they are amusing--by a writer whose work is at once edgy and endearing and prize winning for reasons any reader can appreciate.*

*Wild Things, Wild Places Sep 23 2022 A moving, inspiring, personal look at the vastly changing world of wildlife on planet earth as a result of human incursion, and the crucial work of animal and bird preservation across the globe being done by scientists, field biologists, zoologists, environmentalists, and conservationists. From a longtime, much-admired activist, impassioned wildlife proponent and conservationist, former chairperson of the National Endowment for the Arts, four time Academy Award nominee, and Tony Award and two-time Emmy Award-winning actress. In Wild Things, Wild Places, Jane Alexander movingly, with a clear eye and a knowing, keen grasp of the issues and on what is being done in conservation and the worlds of science to help the planet's most endangered species to stay alive and thrive, writes of her steady and fervent immersion into the worlds of wildlife conservation, of her coming to know the scientists throughout the world--to her, the prophets in the wilderness--who are steeped in this work, of her travels with them--and on her own--to the most remote and forbidding areas of the world as they try to save many species, including ourselves.*

*Wild Things Will Roam Apr 06 2021 "Where things are wild, wild things will roam." Ander Farrow failed to fulfill his prophecy & the world ended. Now he uses his psychic powers for parlor tricks while he & his brother, Lash, kill monstrous creatures for pay. Liv might be his chance for redemption, if they-or the Creats that hunt them--don't accidentally kill her first. A tiny lie convinces Liv to let the*

*Farrows join her hunt for the Priestess—a woman rumored to possess real power. They journey through a wartorn shadow of the American South, exposed to the elements, a kaleidoscope of cultures, magic, monsters, and the macabre. The Farrows question all they were raised to believe while Liv must reconcile the horrors encountered with the discovery that there may be more to the Farrows' madness—and to her—than she realized. But can the Priestess save them from what really lies in the dark? Where things are wild, wild things will roam... but everywhere is wild anymore. Genre: Spooky. (Adult, Speculative Fiction, Horror, Magic Realism, Fantasy)*

*Wild Things 20 greeting cards Dec 14 2021*

*Where the Crawdads Sing Feb 22 2020 NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by The New York Times Book Review as “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature.” For years, rumors of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the Crawdads Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.*

*A Wild Thing Mar 05 2021 "Everyday objects can have an extra dimension or quality that has no relation to functionality, form, a concept or a trend. So what is it that gives a particular glass an*

'aura'? Why should one thing have more shine, passion and 'mystical allure' than another? *A Wild Thing* attempts to identify and describe these often intangible qualities. There seems to be an inner light that shines from certain things. Unlike the blinding spotlight of media and marketing, this light is gentle and clear and reflects the methodology and intention of the maker. Ancient craftsmen designed from a place of unity with matter and the cosmos, putting themselves at the service of the making process and thereby creating a moment of transference from maker to thing. *A Wild Thing* focuses on how this unity between a person, a thing and the universe can be attained through a particular manner of both designing and experiencing objects. This approach is in stark contrast to that of the star designer, who frequently conceives useless products that are nothing more than status symbols designed to generate wasteful consumption. In a series of essays, Hilde Bouchez reflects on design history and the latest movements within the design world. She also presents a phenomenological methodology that opens up a new, more poetic approach to everyday objects for both maker and consumer. The texts are linked by the author's search for a sustainability and meaning that transcends the organic component of materials"--Back cover.

*The Captain and the Glory* Dec 22 2019 A savage satire of the United States in the throes of insanity, this blisteringly funny novel tells the story of a noble ship, the *Glory*, and the loud, clownish, and foul Captain who steers it to the brink of disaster. When the decorated Captain of a great ship descends the gangplank for the final time, a new leader, a man with a yellow feather in his hair, vows to step forward. Though he has no experience, no knowledge of nautical navigation or maritime law, and though he has often remarked he doesn't much like boats, he solemnly swears to shake things up. Together with his band of petty thieves and confidence men known as the *Upskirt Boys*, the Captain thrills his passengers, writing his dreams and notions on the cafeteria wipe-away board, boasting of his exemplary anatomy, devouring cheeseburgers, and

*tossing overboard anyone who displeases him. Until one day a famous pirate, long feared by passengers of the Glory but revered by the Captain for how phenomenally masculine he looked without a shirt while riding a horse, appears on the horizon . . . Absurd, hilarious, and all too recognizable, The Captain and the Glory is a wicked farce of contemporary America only Dave Eggers could dream up.*

*Wild Things to Make Jun 08 2021 The Wild Things clothing brand is back with more sewing projects to make for your children. Following on from prolific sewer Kirsty Hartley's WILD THINGS FUNKY LITTLE CLOTHES TO SEW, this second book will offer over 40 more projects for your child. The Wild Things Funky Little Dresses clothing range brings exciting and mythical clothing to your child's wardrobe; now you can make your own everyday play clothes and accessories to bring to life. WILD THINGS TO MAKE will inspire makers of all abilities to create something exciting for their children that they will really want to wear. Drawing on simple shape and whimsical imagery, the step-by-step projects include dresses, hats, jackets and dungarees, as well as some simple accessories and keepsake gifts with a little heart and soul. With themes from enchanted woodland to summer essentials for beginners, and outfits including a robin pinafore, mermaid sundress, shark dungarees and fun accessories like your child's very own puppet theatre or teepee, this book adds a spark of adventure to everyday clothes and playtime fun.*

*Wild Things Jan 03 2021 Today's young children are occupied with numerous activities taking place in settings that are isolated from nature or merely simulations of the earth's natural environment. As a result, unless they receive appropriate nature education, many children may never develop a familiarity with and positive attitudes toward the natural world that are so crucial to its preservation. Wild Things: Children's Culture, Ecocriticism examines the ways in which literature, media, and other cultural forms for young people address nature, place, and ecology. Studies in children's culture and*

*ecocriticism have been largely separate enterprises; Wild Things is the first book to conjoin the two fields. The book provides scholars and teachers with in-depth discussion of particular texts as well as larger historical patterns and theoretical paradigms. Essays focus on classic literary works such as Charlotte's Web and The Lorax as well as series fiction, nature magazines, environmental music and videos, the Muppets and other Jim Henson productions, and Disney's latest theme park, Animal Kingdom. Affording the reader a return to the wild places of childhood-both real and imagined-Wild Things is a first-class exploration of the dimensions used to teach children about ecological systems and the natural world that surrounds them.*

*Where the Wild Things Are - Literature Kit Gr. 1-2 Feb 04 2021*  
*Escape to a land of Wild Things to discover that being with people who love you best is more important than misbehaving. Get into Max's mindset and decide whether he regrets being a Wild Thing. Match the beginning of a word with its ending. Transform words from the story in their past tense to their present tense. Complete statements about the story by adding the word 'before' or 'after' to make them true. Students describe a time when they made 'mischief' just like Max, and what the consequences were. Create a Wild Things menu complete with meal, vegetables, drink, and dessert. Students compare themselves with Max to see what things they have in common in a Venn Diagram. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: This story is based on a mischievous boy named Max, who dresses up in a wolf suit and does things he shouldn't. His mom gets upset and calls him a Wild Thing! Max retaliates by screaming back to his mom, "I'll eat you up!" From within his imagination, Max's room goes from forest to ocean with Max inside the little boat where he comes up to the land of Wild Things. Max becomes lonely and he smells good things to eat. Wanting to be with someone who loved him best of all, he leaves the land of Wild*

*Things. He comes back to his own room where he finds his supper, still hot, waiting for him.*

*Where the Wild Things Are Now Jun 27 2020 Domestication has often seemed a matter of the distant past, a series of distinct events involving humans and other species that took place long ago. Today, as genetic manipulation continues to break new barriers in scientific and medical research, we appear to be entering an age of biological control. Are we also writing a new chapter in the history of domestication? Where the Wild Things Are Now explores the relevance of domestication for anthropologists and scholars in related fields who are concerned with understanding ongoing change in processes affecting humans as well as other species. From the pet food industry and its critics to salmon farming in Tasmania, the protection of endangered species in Vietnam and the pigeon fanciers who influenced Darwin, Where the Wild Things Are Now provides an urgently needed re-examination of the concept of domestication against the shifting background of relationships between humans, animals and plants.*

*Wild Things Jul 21 2022 A headstrong girl. A stray cat. A wild boy. A man who plays with fire. Eleven-year-old Zoë trusts no one. Her father left before she was born. At the death of her irresponsible mother, Zoë goes to live with her uncle, former surgeon and famed metal sculptor Dr. Henry Royster. She's sure Henry will fail her as everyone else has. Reclusive since his wife's death, Henry takes Zoë to Sugar Hill, North Carolina, where he welds sculptures as stormy as his moods. Zoë and Henry have much in common: brains, fiery and creative natures, and badly broken hearts. Zoë confronts small-town prejudice with a quick temper. She warms to Henry's odd but devoted friends, meets a mysterious teenage boy living wild in the neighboring woods, and works to win the trust of a feral cat while struggling to trust in anyone herself. In this ALA Notable Children's Book and Kirkus Reviews Best Children's Book of the Year, Zoë's questing spirit leads her to uncover the wild boy's identity, lay bare a local lie, and begin to understand the true power of Henry's art.*

*Then one decisive night, she and the boy risk everything in a reckless act of heroism.*

*Wild Things Nov 25 2022 In Wild Things Jack Halberstam offers an alternative history of sexuality by tracing the ways in which wildness has been associated with queerness and queer bodies throughout the twentieth century. Halberstam theorizes the wild as an unbounded and unpredictable space that offers sources of opposition to modernity's orderly impulses. Wildness illuminates the normative taxonomies of sexuality against which radical queer practice and politics operate. Throughout, Halberstam engages with a wide variety of texts, practices, and cultural imaginaries—from zombies, falconry, and M. NourbeSe Philip's Zong! to Maurice Sendak's Where the Wild Things Are and the career of Irish anticolonial revolutionary Roger Casement—to demonstrate how wildness provides the means to know and to be in ways that transgress Euro-American notions of the modern liberal subject. With Wild Things, Halberstam opens new possibilities for queer theory and for wild thinking more broadly.*

*Where the Wild Things are Oct 12 2021 Billedbog i farver om drengen Max, der om natten drager til vilddyrenes land, hvor han bliver uindskrænket hersker*

*Domesticated Wild Things, and Other Stories May 27 2020 Just down the highway from Connecticut's Gold Coast is the state's rusty underbelly, the wretched, used-up sort of place where you might find Xhenet Aliu's Domesticated Wild Things: the reluctant mothers, delinquent dads, and not-quite-feral children, yet dreamers all. These are the children of immigrants who found boarded-up brass mills instead of the gilded streets of America; they're the teenaged girls raised in the fluorescent glow of Greek diners, the middle-aged men with pump trucks and teratomas. These are people who have fled, or who should have. And if they are indeed familiar, it is because Aliu writes what is real, whether we ourselves, her readers, have seen it up close or not. *Where the Wild Things Were Nov 13 2021 For years, predators like snow leopards and white-tipped sharks have been disappearing from the top of the food chain, largely as a result of human action. Science journalist Will Stolzenburg reveals why and how their absence upsets the delicate balance of the world's environment.*

*The Peace of Wild Things Jul 29 2020 If you stop and look around you, you'll start to see. Tall marigolds darkening. A spring wind blowing. The woods awake with sound. On the wooden porch, your love smiling. Dew-wet red berries in a cup. On the hills, the beginnings of green, clover and grass to be pasture. The fowls singing and then settling for the night. Bright, silent, thousands of stars. You come into the peace of simple things. From the author of the 'compelling' and 'luminous' essays of *The World-Ending Fire* comes a slim volume of poems. Tender and intimate, these are consoling songs of hope and of healing; short, simple meditations on love, death, friendship, memory and belonging. They celebrate and elevate what is sensuous about life, and invite us to pause and appreciate what is good in life, to stop and savour our fleeting moments of earthly enjoyment. And, when fear for the future keeps us awake at night, to come into the peace of wild things.*

*Wild Things Jan 23 2020 Merit goes toe to toe with a powerful and dangerous evil in this novel in the Chicagoland Vampires series. Since Merit was turned into a vampire, and the protector of Chicago's Cadogan House, it's been a wild ride. She and Master vampire Ethan Sullivan have helped make Cadogan's vampires the*

strongest in North America, and forged ties with paranormal folk of all breeds and creeds, living or dead...or both. But now those alliances are about to be tested. A strange and twisted magic has ripped through the North American Central Pack, and Merit's closest friends are caught in the cross-hairs. Gabriel Keene, the Pack Apex, looks to Merit and Ethan for help. But who—or what—could possibly be powerful enough to out-magic a shifter?

Wild Things, Wild Places Jun 20 2022 In *Wild Things, Wild Places* actress, author, and conservationist Jane Alexander offers a moving first-hand assessment of what is being done to help the planet's most at risk animals. In short reflections on her travels to some of the most remote and forbidding areas, she describes the ways in which human incursions into the natural world are destroying wildlife around the globe. With a clear eye and a keen grasp of the issues, Alexander highlights the remarkable work being done in the fields of science and conservation, and introduces readers to the field biologists, zoologists, environmentalists, and conservationists—the “prophets in the wilderness”—who have committed themselves to this essential effort. Inspiring and enlightening, *Wild Things, Wild Places* is a deeply personal look at the changing face of wildlife on planet Earth.

The Wild Things Jan 27 2023 Max is a rambunctious eight-year-old whose world is changing around him: His father is absent, his mother is increasingly distracted, and his teenage sister has outgrown him. Sad and angry, Max dons his wolf suit and makes terrible, ruinous mischief, flooding his sister's room and driving his mother half-crazy. Convinced his family doesn't want him anymore, Max flees home, finds a boat and sails away. Arriving on an island, he meets strange and giant creatures who rage and break things, who trample and scream. These beasts do everything Max feels inside, and so, Max appoints himself their king. Here, on a magnificent adventure with these funny and complex monsters, Max can be the wildest thing of all. In this visionary adaptation of Maurice Sendak's classic work, Dave Eggers brings an imaginary

*world vividly to life, telling the story of a lonely boy navigating the emotional journey away from boyhood.*

*Wild Thing: The Short, Spellbinding Life of Jimi Hendrix Sep 30 2020 Hailed for its astounding portrait of Jimi Hendrix, Philip Norman's Wild Thing has become the definitive biography of rock's most outrageous—and tragic—genius. Today, Jimi Hendrix (1942–1970) is celebrated as the greatest rock guitarist of all time. But before he was setting guitars and the world aflame, James Marshall Hendrix was a shy kid in Seattle, plucking at a broken ukulele. Bringing Hendrix's story to vivid life against the backdrop of midcentury rock, and interweaving new interviews with friends, lovers, bandmates, and his family, Wild Thing vividly reconstructs Hendrix's remarkable career, from playing segregated clubs on the Chitlin' Circuit to achieving stardom in Swinging London.*

*Little on the Wild Side Nov 20 2019 "Smart and entertaining." -RT Book Reviews, 4 stars, Call Me Wild A woman who gets what she wants... Bianca Ferrari-ex-supermodel turned successful business woman-seems to have it all: beauty, brains and a career she loves. And she did it all by herself...through sheer force of will and ruthless determination. So when her life is suddenly turned upside down, it's hard for her to admit that going it alone may not be an option... A man who knows what she needs... Sexy, rugged and down-to-earth, Trapper Kincaid has a knack for attracting all kinds of women—mostly the wrong kind. When he finds out that the exhaustingly independent and drop-dead gorgeous Bianca is in serious need of help, he knows he's the man for the job. But Bianca isn't going to make it easy...*

*Why the Wild Things Are Aug 30 2020 This is the first book to examine children's many connections to animals and to explore their developmental significance. Gail Melson looks not only at the therapeutic power of pet-owning for children with emotional or physical handicaps, but also the ways in which zoo and farm animals, and even certain television characters, become confidants or teachers for children--and sometimes, tragically, their victims.*

*Love and Other Wild Things Jul 09 2021 This hot, hilarious stand-alone will keep you wildly entertained! Welcome to Mystic Bayou, a tiny town hidden in the swamp where shape-shifters, vampires, witches, and dragons live alongside humans. The town formed around the mysterious energy rift in the bayou, which helps keep the town's magic in balance. But lately the rift has been widening and destabilizing - threatening to send the town's magical population into chaos. Energy witch Danica Teel has been sent by the League to figure out what's going on, with the help of bear-shifter Mayor Zed. While working on the case, Zed falls head over paws for Dani, but she's reluctant to engage in anything beyond a roll in his cave. Dani's family is counting on her to get the job done, and she has no time for distractions. But when an ominous presence begins stalking Dani through the bayou, they'll need to band together to make it out alive. This book is based on the Audible Original audiobook. "I highly recommend this book...sexy, flirty, hilarious in every scene and has a sexy hero that you want to keep for your own and a heroine that can fight her own battles!! I am hooked on the Mystic Bayou and the diverse characters that sweep you up!! I can't wait for the next one!!!"—Addicted To Romance "A fun paranormal series with plenty of humor, food and sweet romance."—Hot Listens*

*A Way with Wild Things Feb 16 2022 Meet Poppy - if you can find her! Poppy loves bugs, and can usually be found carrying on conversations with ladybirds or sitting outside among the brightly coloured wildflowers ... but good luck spotting her indoors and around people! She's a master of camouflage, always finding a way to blend into her surroundings. But when a very special bug lands on her grandma's birthday cake, Poppy can't resist popping out to see it. Soon the rest of the guests notice the beautiful dragonfly, and Poppy too. Maybe it's OK to stand out sometimes, just like the vibrant wildflowers and shimmering insects Poppy loves. This poetic and evocative story celebrates the shy and introverted kids among us, as well as the other small creatures to be found if we look closely*

enough.

*Wild Things* May 19 2022 Playing off the themes in the Caldecott Medal-winning children's book *Where the Wild Things Are*, this informative, practical, and encouraging guide will help parents guide boys down the path to healthy and authentic manhood. *Wild Things* addresses the physical, emotional, and spiritual parts of a boy, written by two therapists who are currently engaged in clinical work with boys and their parents and who are also fathers raising five sons. Contains chapters such as "Sit Still! Pay Attention!" "Deficits and Disappointments," and "Rituals, Ceremonies, and Rites of Passage."

*Word Travelers and the Taj Mahal Mystery* Apr 18 2022 A new chapter book series from bestselling author Raj Haldar that explores etymology and world cultures using an exciting, action-packed mystery story! Eddie and Molly-Jean are next door neighbors and best friends. One Saturday, Eddie's mom sends him up to the attic to get his great-grandpa's most prized possession (a book, of course). Eddie and Molly-Jean are suddenly transported to India where they must use their word knowledge to solve a mystery and help a new friend save his school. This new series will follow the two best friends as they discover the hidden stories behind common words. Using their *Awesome Enchanted Book* and a healthy dose of imagination, the daring duo transport themselves to exotic locales, always encountering new adventures and learning how different cultures have contributed to the English language along the way. Content is vetted for language and reading level by Alycia Zimmerman, a Princeton graduate who has written for Netflix's *Magic Schoolbus*, a contributing teacher for Scholastic, and former 3rd grade teacher in NYC.

*Where the Wild Things Were* Apr 25 2020 What did we do once we knew? This book is written for both children and adults to entertain and educate. Join storytime as Grandma recounts her adventures with an alphabet of wild animals to her granddaughter, Little Dove. But with species loss accelerating at an alarming rate, will there be

*any creatures left for Little Dove to play with? We have solutions that can make a difference. Working together, we can step up to our responsibility to protect what we still can in this magical, more-than-human world. Then we can have hope that instead of talking about where the wild things were we can speak to our children and grandchildren about where the wild things are.*

*Wild Things Nov 01 2020 A modern and unconventional tale of creation and life force, "Wild Things" is a tribute to all that remains untouched by human civilization. Openly declaring her love for the wilderness and its inhabitants, Jaschinski celebrates the natural order of the earth's habitats and apologizes to the animals for the havoc wreaked by the dominance of human nature.*

*How Wild Things Are Mar 25 2020 One young chef's ode in recipes and words to the isolated, Australian island-state at the bottom of the world. How Wild Things Are celebrates nature and the slow food life on the rugged and sometimes wild island of Tasmania. When chef Analiese Gregory relocated after years of pushing through her anxiety and cooking in high-end restaurants, she found a new rhythm to the days she spent hunting, fishing, cooking, and foraging--a girl's own adventure at the bottom of the world. With more than 50 recipes, including cheese making and charcuterie, interwoven with Analiese's thoughtful narrative and accompanied by stunning photography, it is also a window into the joys of travel, freedom, vulnerability, and the perennial search for meaning in what we do. This is a blueprint for how to live, as much as how to cook.*

*Wild Things and Castles in the Sky Oct 24 2022 Wild Things and Castles in the Sky: A Guide to Choosing the Best Books for Children gives the reader over 40 essays that examine specific types of children's books and offer suggestions in each category. Among the topics covered are: imagination, faith, classic literature, middle school books, race, fantasy, contemporary children's books, Shakespeare, art history, Newbery books, young adult novels, poetry, and more. Curated and edited by Leslie and Carey Bustard*

*with Théa Rosenburg (a mother-daughter team and a children's books blogger), Wild Things and Castles in the Sky will encourage and envision parents, grandparents, teachers, and friends--to know the power of a good story and to share it with a child they love.*
