Named a Most Anticipated Book of 2022 by PopSugar, Ms. magazine, Medium, Book Riot, BookPage, CrimeReads, Tor Nightfire, Bookshop, Book Talk, BiblioLifestyle, and more! AN APRIL 2022 BELLETRIST BOOK CLUB PICK “Morrow uses her heroine’s warped perspective to examine painful truths about race and class in America, but this isn’t a book intended to teach anyone a lesson, except maybe: Be careful. You never know who’s really in control.”—Los Angeles Times From bestselling author Bethany C. Morrow comes a new adult social horror novel in the vein of *Get Out* meets *My Sister, the Serial Killer*, about Farrah, a young, calculating Black girl who manipulates her way into the lives of her Black best friend’s white, wealthy, adoptive family but soon suspects she may not be the only one with ulterior motives. . . . Seventeen-year-old Farrah Turner is one of two Black girls in her country club community, and the only one with Black parents. Her best friend, Cherish Whitman, adopted by a white, wealthy family, is something Farrah likes to call WGS—White Girl Spoiled. With Brianne and Jerry Whitman as parents, Cherish is given the kind of adoration and coddling that even upper-class Black parents can’t seem to afford—and it creates a dissonance in her best friend that Farrah can exploit. When her own family is unexpectedly confronted with foreclosure, the calculating Farrah is determined to reassert the control she’s convinced she’s always had over her life by staying with Cherish, the only person she loves—even when she hates her. As troubled Farrah manipulates her way further into the Whitman family, the longer she stays, the more her own parents suggest that something is wrong in the Whitman house. She might trust them—if they didn’t think something was wrong with Farrah, too. When strange things start happening at the Whitman household—debilitating illnesses, upsetting fever dreams, an inexplicable tension with Cherish’s hotheaded boyfriend, and a mysterious journal that seems to keep track of what is happening to Farrah—it’s nothing she can’t handle. But soon everything begins to unravel when the Whitmans invite Farrah closer, and it’s anyone’s guess who is really in control. Told in Farrah’s chilling, unforgettable voice and weaving in searing commentary on race and class, this slow-burn social horror will keep you on the edge of your seat until the last page. “Jessie Rhodes has been in love with Scott Reynolds for most of her life. But he ran away from her once, leaving her heartbroken. When they find their way back to one another, things seem to fall into place, and they begin to plan their future together. Until Scott's ex-fiancée deceives them all.”--Page 4 of cover. Gary Thomas, pastor and bestselling author of *Sacred Marriage*, believes that one simple word can bring hope, light, and life into any marriage: *Cherish*. Most marriages survive by gritting teeth and holding on. But what if surviving marriage wasn't the goal? What if we aimed to thrive instead? In *Cherish*, Thomas teaches us that

although there are a countless number of marriages consisting of two people just going through the motions, there are real ways this pattern can be reversed: when husbands and wives learn to cherish one another in their everyday actions and words. The way we treat something acknowledges whether we cherish it or hold it with indifference or contempt. To truly cherish something is to go out of our way to show it off, protect it, and honor it. We want others to see and recognize and affirm the value that we see. Thomas reminds us that in a world desperate for marriage redemption, the act of cherishing is needed now more than ever. Cherishing your spouse will elevate your marriage relationally, emotionally, spiritually, and even physically. You will set different goals for your relationship, and you'll see your marriage with fresh eyes. Through personal stories, real-world examples, and timeless biblical truths, Thomas shares the tools you need to turn your marriage around, including: Using your mind to change your heart Sacrificing for your spouse Praying with intentionality Prioritizing your life partner Through the biblical act of cherishing, we can empower our spouses to become who they are called by God to be, and in the process to become more of who we are called to be, creating a marriage that feels more precious, more connected, and more satisfying. If you're ready to revolutionize your relationship, it's time to learn how to truly Cherish it. Shortlisted for the 2022 Booker Prize "A hypnotic and electrifying Irish tale that transcends country, transcends time." —Lily King, New York Times bestselling author of Writers & Lovers

*Small Things Like These* is award-winning author Claire Keegan's landmark new novel, a tale of one man's courage and a remarkable portrait of love and family It is 1985 in a small Irish town. During the weeks leading up to Christmas, Bill Furlong, a coal merchant and family man faces into his busiest season. Early one morning, while delivering an order to the local convent, Bill makes a discovery which forces him to confront both his past and the complicit silences of a town controlled by the church. Already an international bestseller, *Small Things Like These* is a deeply affecting story of hope, quiet heroism, and empathy from one of our most critically lauded and iconic writers. Pam Jenoff, whose first novel, *The Kommandant's Girl*, was a Quill Award finalist, a Book Sense pick, and a finalist for the ALA Sophie Brody Award, joins the Doubleday list with a suspenseful story of love and betrayal set during the Holocaust. An ambitious novel that spans decades and continents, *The Things We Cherished* tells the story of Charlotte Gold and Jack Harrington, two fiercely independent attorneys who find themselves slowly falling for one another while working to defend the brother of a Holocaust hero against allegations of World War II-era war crimes. The defendant, wealthy financier Roger Dykmans, mysteriously refuses to help in his own defense, revealing only that proof of his innocence lies within an intricate timepiece last seen in Nazi Germany. As the narrative moves from Philadelphia to Germany, Poland, and Italy, we are given glimpses of the lives that the anniversary clock has touched over the past century, and learn about the love affair that turned a brother into a traitor. Rich in historical detail, Jenoff's astonishing new work is a testament to true love under the worst of circumstances. Three women. One daring mission. 1946. One morning while passing through Grand Central Terminal, Grace Healey finds an abandoned suitcase tucked beneath a bench. Inside is a dozen photographs--each of a different woman. Grace soon learns that the suitcase belonged to Eleanor Trigg, leader of a network of female secret agents deployed out of London during the war. Twelve of these women were sent to Occupied Europe as couriers and radio operators to aid the resistance, but they never returned home. Setting out to learn the truth behind the women in the photographs, Grace finds herself drawn to a young mother turned agent named Marie, whose mission overseas reveals a remarkable story of friendship, valor and betrayal. In this riveting story inspired by true events, Pam Jenoff weaves a tale of courage, sisterhood and the great strength of women to survive in the

hardest of circumstances. The bestselling author of *Kommandant's Girl* turns her hand to contemporary romance Suspense fiction. *Romance. Ten years ago, U.S. State Department intelligence officer Jordan Weiss's life was turned upside down when she was told her college boyfriend, Jared, drowned in the River Cam. In a shocking discovery, though, she realizes that things weren't as they seemed and that she had been lied to and betrayed by those closest to her. Reeling from the shock-- and the knowledge that Jared is still alive--Jordan resigns her State Department post and sets off in search of answers. Traveling to Jared's last known whereabouts on the French Riviera, she encounters Nicole, a mysterious woman who flees after refusing to disclose what she knows about Jared. Following Nicole across Europe, Jordan soon discovers that she is not alone in her pursuit-- Aaron, a handsome and enigmatic Israeli, is chasing Nicole for his own cryptic reasons. Though distrustful of each other, Jordan and Aaron join forces on a journey that takes them half a world away, and only steps ahead of grave peril. As Jordan draws closer to finding the answers that have eluded her for a decade, larger questions remain: Can she reconcile her attraction to Aaron with her unresolved feelings for Jared, the only man she ever loved? Will the truth be too devastating to handle or finally set her free? Because "grieving for an animal can be a pretty lonely place," Barbara Abercrombie created this joyful and poignant, funny and smart collection of commiseration. Readers meet the cat who liked to fish tampon tubes out of the trash and then appear "jauntily holding one in his mouth as if smoking a cigarette," the dog who demanded down pillows, and even a coyote who became part of the family. The sometimes surprising things animals add to a household — and how their loss reverberates — are highlighted, and because these are such fine writers, each essay also reveals larger truths about life. Whether the reader is grieving a loss, cherishing a current companion, or simply relishing a tale well told, the message is clear: it is better to have loved and lost... Two all-new novellas that cross the boundaries of desire. *Exiled* by Maya Banks...Enticed to the island paradise where an enigmatic prince is living in exile, beautiful, virginal Talia is introduced to a world of forbidden pleasure where the prince's every whim is fulfilled and her fantasies are rendered in exquisite detail. But when the prince is summoned back to fulfill his duty to his struggling country, reality is thrust upon Talia all too soon. She returns home, heartbroken, convinced she was a passing fancy for an idle ruler and his most trusted men. Until the day they arrive on her doorstep, determined to have her back where she belongs. *Sway* by Lauren Dane...Levi Warner is an established, older man—wealthy, powerful, and above all, respectable. Then Levi meets Daisy, an uninhibited 24-year-old dance instructor and artist, not exactly the kind of woman Levi is accustomed to. But the young, free spirit, brings out something in him he only experienced in fantasies. When their scorching affair turns into something unexpectedly deeper, Levi finds himself torn between preserving his reputation, and exploring a wilder and much more satisfying kind of life. *Fleeing fascist Italy for America*, young Adelia Montforte falls for Charlie Connally, but when war erupts and tragedy comes with it, she tries to lose herself in wartorn London. *Paris, 1919* The nation's leaders have gathered to rebuild the world from the ashes of The Great War. But for one woman, the City of Light harbours dark secrets and dangerous liaisons Brought to the peace conference by her German Diplomat father, Margot resents being trapped in Paris where she is still looked upon as the enemy. Yet returning to Berlin means a life with the wounded fiance she barely knows. Torn between duty and the desire to be free, Margot strikes up unlikely alliances: with Kryisia, a musician who protects a secret; and with Georg, the handsome, damaged naval officer who makes Margot question where her true loyalties should lie. Now a New York Times bestseller! From the author of *Truths I Never Told You*, *Before I Let You Go*, and the *The Warsaw Orphan*, Kelly Rimmer's powerful WWII novel follows a*

woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that *Before I Let You Go* was one of the best novels I had ever read...If you only have time to read one book this year *The Things We Cannot Say* should be that book. Keep tissues handy."—*Fresh Fiction* "Fans of *The Nightingale* and *Lilac Girls* will adore *The Things We Cannot Say*." —Pam Jenoff, *New York Times* bestselling author

In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. *The Things We Cannot Say* is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it. Don't miss the next book in the #1 *New York Times* bestselling series that's become a global phenomenon. Don't miss a single book in the series that spawned a phenomenon! *The Crave* series is best enjoyed in order: *Crave* *Crush* *Covet* *Court* *Charm* *Cherish* A captivating novel about an immigrant Vietnamese family who settles in New Orleans and struggles to remain connected to one another as their lives are inextricably reshaped. This stunning debut is "vast in scale and ambition, while luscious and inviting ... in its intimacy" (*The New York Times Book Review*). When Huong arrives in New Orleans with her two young sons, she is jobless, homeless, and worried about her husband, Cong, who remains in Vietnam. As she and her boys begin to settle in to life in America, she continues to send letters and tapes back to Cong, hopeful that they will be reunited and her children will grow up with a father. But with time, Huong realizes she will never see her husband again. While she attempts to come to terms with this loss, her sons, Tuan and Binh, grow up in their absent father's shadow, haunted by a man and a country trapped in their memories and imaginations. As they push forward, the three adapt to life in America in different ways: Huong gets involved with a Vietnamese car salesman who is also new in town; Tuan tries to connect with his heritage by joining a local Vietnamese gang; and Binh, now going by Ben, embraces his adopted homeland and his burgeoning sexuality. Their search for identity--as individuals and as a family--threatens to tear them apart, until disaster strikes the city they now call home and they are suddenly forced to find a new way to come together and honor the ties that bind them. Taking the form of letters to her husband on the first-year anniversary of his death, Brooks's touching, wonderful book is both an odyssey through her first year of mourning and an extraordinary love story. Compassionate, caring and deeply moving.--Peter McWilliams. This book focuses primarily on the conservation of objects, where the goals are minimizing change and maximizing longevity. It presents a lucid

approach to the practical skills of conservation—what to do and what not to do. *New York Times Bestselling Author of The Diplomat's Wife* A breathtakingly poignant novel of suspense about a woman who must face a past she'd rather forget in order to uncover a dangerous legacy that threatens her future. Ten years ago, U.S. State Department intelligence officer Jordan Weiss's idyllic experience as a graduate student at Cambridge was shattered when her boyfriend Jared drowned in the River Cam. She swore she'd never go back—until a terminally ill friend asks her to return. Jordan attempts to settle into her new life, taking on an urgent mission beside rakish agent Sebastian Hodges. Just when she thinks there's hope for a fresh start, a former college classmate tells her that Jared's death was not an accident—he was murdered. Jordan quickly learns that Jared's research into World War II had uncovered a shameful secret, but powerful forces with everything to lose will stop at nothing to keep the past buried. Soon, Jordan finds herself in grave peril as she struggles to find the answers that lie treacherously close to home, the truth that threatens to change her life forever, and the love that makes it all worth fighting for. Fast-paced and impossible to put down, *Almost Home* establishes Pam Jenoff as one of the best new writers in the genre. Before healing can begin for two women struggling with feelings of guilt from their pasts, they need to believe they are worth cherishing. Kelli London once dreamed of being a songwriter. As crazy as it seemed, she hoped God would use the lyrics that came to her even while she slept. She dreamed about Brian too, that the love they shared as high-school students would grow into marriage. But choices that still haunt her destroyed those dreams. Until now—when a series of love letters reawakens her hope for the future. Heather Anderson's life has spun out of control—first, an affair with a married man, then a one-night stand with the drummer of a popular Christian band has left her devastated. Broken and alone, she cried out to the only One able to save her. He met her there, but it was just the beginning. Because now she must take a different path. And the one God has planned for her looks nothing like the one she envisioned. As Kelli and Heather awaken to their true worth, they find the freedom to pursue their dreams—and relationships—based on the security of knowing God's unconditional love. Powerful contemporary Christian fiction Includes discussion questions for book clubs Also by Kim Cash Tate: *The Color of Hope*, *Faithful*, *Hope Springs*, and *Hidden Blessings* **NEW YORK TIMES BESTSELLING TITLE THE ORPHAN'S TALE OUT NOW!** Forbidden love in the time of war, this is essential reading for fans of emotional historical romance, perfect for fans of Katie Flynn and Maureen Lee. words . . . A stirring indictment of American sentimentality about war.” —Robert G. Kaiser, *The Washington Post*

*In Looking for the Good War*, Elizabeth D. Samet reexamines the literature, art, and culture that emerged after World War II, bringing her expertise as a professor of English at West Point to bear on the complexity of the postwar period in national life. She exposes the confusion about American identity that was expressed during and immediately after the war, and the deep national ambivalence toward war, violence, and veterans—all of which were suppressed in subsequent decades by a dangerously sentimental attitude toward the United States’ “exceptional” history and destiny. Samet finds the war’s ambivalent legacy in some of its most heavily mythologized figures: the war correspondent epitomized by Ernie Pyle, the character of the erstwhile G.I. turned either cop or criminal in the pulp fiction and feature films of the late 1940s, the disaffected Civil War veteran who looms so large on the screen in the Cold War Western, and the resurgent military hero of the post-Vietnam period. Taken together, these figures reveal key elements of postwar attitudes toward violence, liberty, and nation—attitudes that have shaped domestic and foreign policy and that respond in various ways to various assumptions about national identity and purpose established or affirmed by World War II. As the United States reassesses its roles in Afghanistan and the Middle East, the time has come to rethink our national mythology: the way that World War II shaped our sense of national destiny, our beliefs about the use of American military force throughout the world, and our inability to accept the realities of the twenty-first century’s decades of devastating conflict. The meaning of things is a study of the significance of material possessions in contemporary urban life, and of the ways people carve meaning out of their domestic environment. Drawing on a survey of eighty families in Chicago who were interviewed on the subject of their feelings about common household objects, Mihaly Csikszentmihalyi and Eugene Rochberg-Halton provide a unique perspective on materialism, American culture, and the self. They begin by reviewing what social scientists and philosophers have said about the transactions between people and things. In the model of ‘personhood’ that the authors develop, goal-directed action and the cultivation of meaning through signs assume central importance. They then relate theoretical issues to the results of their survey. An important finding is the distinction between objects valued for action and those valued for contemplation. The authors compare families who have warm emotional attachments to their homes with those in which a common set of positive meanings is lacking, and interpret the different patterns of involvement. They then trace the cultivation of meaning in case studies of four families. Finally, the authors address what they describe as the current crisis of environmental and material exploitation, and suggest that human capacities for the creation and redirection of meaning offer the only hope for survival. A wide range of scholars - urban and family sociologists, clinical, developmental and environmental psychologists, cultural anthropologists and philosophers, and many general readers - will find this book stimulating and compelling. He doesn’t know how much he’s cherished... Dale Steel has fallen in love with his intern, Ashley White. She’s vibrant, intelligent, and full of life, despite a past that was far from perfect. She’s everything he’s not...which is why he’s determined to keep her at arm’s length. The emotions she’s awakened in him have stirred something dark that he’s kept buried for years, and a relationship with him would only destroy her. Ashley has other ideas. She adores Dale, and more than anything, she wants him to understand he deserves her love. As they work together side by side, their passion grows, and Dale finally agrees to a trial run at a relationship. But a secret from his newfound birth father and an act of God throw a wrench into his world once again, threatening not only his relationship with Ashley, but everything else he holds dear as well. From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here*

comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M Shelby Kane wasn't about to let her friend's bossy brother run off his family's ranch again! And Kingston Brannt kept a tight rein on his volcanic desires, but made it abundantly clear that he resented Shelby's sweetly distracting presence--and the fiery passion she stirred in him. Although the ruggedly handsome, impossibly stubborn cowboy fought their explosive attraction at every turn, somehow his brooding, blustery ways made him even more irresistible to a starry-eyed Shelby. Now the jaded Texas bachelor was about to learn a mighty big lesson in love from the very woman he scorned! "A heart-wrenching exploration of the decisions women must make when their loyalties are put to the test in the most unimaginable of circumstances." -Sarah Penner, New York Times bestselling author of *The Lost Apothecary* A woman must rescue her cousin's family from a train bound for Auschwitz in this riveting tale of bravery and resistance, from the bestselling author of *The Lost Girls of Paris 1942*. Hannah Martel has narrowly escaped Nazi Germany after her fiancé was killed in a pogrom. When her ship bound for America is turned away at port, she has nowhere to go but to her cousin Lily, who lives with her family in Brussels. Fearful for her life, Hannah is desperate to get out of occupied Europe. But with no safe way to leave, she must return to the dangerous underground work she thought she had left behind. Seeking help, Hannah joins the Sapphire Line, a secret resistance network led by a mysterious woman named Micheline and her enigmatic brother Mateo. But when a grave mistake causes Lily's family to be arrested and slated for deportation to Auschwitz, Hannah finds herself torn between her loyalties. How much is Hannah willing to sacrifice to save the people she loves? Inspired by incredible true stories of courage and sacrifice, *Code Name Sapphire* is a powerful novel about love, family and the unshakable resilience of women in even the hardest of times. Lovers of the printed book, arise! Thirty of today's top writers are here to tell you you're not alone. In *Bound to Last*, an amazing array of authors comes to the passionate defense of the printed book with spirited, never-before-published essays celebrating the hardcover or paperback they hold most dear—not necessarily because of its contents, but because of its significance as a one-of-a-kind, irreplaceable object. Whether focusing on the circumstances behind how a particular book was acquired, or how it has become forever "bound up" with a specific person, time, or place, each piece collected here confirms—poignantly, delightfully, irrefutably—that every book tells a story far beyond the one found within its pages. In addition to a foreword by Ray Bradbury, *Bound to Last*

features original contributions by:Chris Abani, Rabih Alameddine, Anthony Doerr, Louis Ferrante, Nick Flynn, Karen Joy Fowler, Julia Glass, Karen Green, David Hajdu, Terrence Holt, Jim Knipfel, Shahriar Mandanipour, Sarah Manguso, Sean Manning, Joyce Maynard, Philipp Meyer, Jonathan Miles, Sigrid Nunez, Ed Park, Victoria Patterson, Francine Prose, Michael Ruhlman, Elissa Schappell, Christine Schutt, Jim Shepard, Susan Straight, J. I had always dreamed of falling in love. I was ready and eager to find my happily ever after, but there was just one problem. The man I so desperately wanted to fall for was not available. He was taken-spoken for. He wasn't married, but he had been with someone for a long time. It didn't help matters that she happened to be my friend. Some would say that's how it works, that I really only wanted him because I couldn't have him. That couldn't be farther from the truth. I had fallen for this man years ago, and he had won my heart for so many different reasons. The fact that he was off-the-market had nothing to do with my feelings for him. Did I mention that he was one of the Blair brothers? This made him even more unobtainable. Everyone in Astoria knew and loved the Blair brothers. There were four of them, and they were handsome, kind, driven, and successful. Any of them would have been a great catch. Too bad my heart already belonged to the one I couldn't have. This is the story of how we finally fell in love.

The acclaimed editor of *The New York Times Book Review* takes readers on a nostalgic tour of the pre-Internet age, offering powerful insights into both the profound and the seemingly trivial things we've lost. **NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND THE DALLAS MORNING NEWS** • "A deft blend of nostalgia, humor and devastating insights."—*People*

Remember all those ingrained habits, cherished ideas, beloved objects, and stubborn preferences from the pre-Internet age? They're gone. To some of those things we can say good riddance. But many we miss terribly. Whatever our emotional response to this departed realm, we are faced with the fact that nearly every aspect of modern life now takes place in filtered, isolated corners of cyberspace—a space that has slowly subsumed our physical habitats, replacing or transforming the office, our local library, a favorite bar, the movie theater, and the coffee shop where people met one another's gaze from across the room. Even as we've gained the ability to gather without leaving our house, many of the fundamentally human experiences that have sustained us have disappeared. In one hundred glimpses of that pre-Internet world, Pamela Paul, editor of *The New York Times Book Review*, presents a captivating record, enlivened with illustrations, of the world before cyberspace—from voicemails to blind dates to punctuation to civility. There are the small losses: postcards, the blessings of an adolescence largely spared of documentation, the Rolodex, and the genuine surprises at high school reunions. But there are larger repercussions, too: weaker memories, the inability to entertain oneself, and the utter demolition of privacy. *100 Things We've Lost to the Internet* is at once an evocative swan song for a disappearing era and, perhaps, a guide to reclaiming just a little bit more of the world IRL.

"1942. Sadie Gault is eighteen and living with her parents amid the horrors of the Jewish Ghetto in Krakôw, Poland, during World War II. When the Nazis liquidate the ghetto, Sadie and her mother are forced to seek refuge in the sewers beneath the city. Ella Stepanek is an affluent Polish girl living a life of relative ease with her stepmother, who has developed close alliances with the occupying Germans. While on an errand in the market, she catches a glimpse of something moving beneath a grate in the street. Upon closer inspection, she realizes it's a girl hiding. Ella begins to aid Sadie and their lives are set on a collision course that will test them in the face of overwhelming odds"--Page 4 of cover. *A rising international literary star makes her American debut with this visceral, tender, and brave portrait of addiction, recovery, and motherhood, as harrowing and intense as Shuggie Bain. Sonya used to perform on stage. She used to attend glamorous parties, date handsome men, ride in fast cars. But somewhere along the way, the stage lights Sonya lived for dimmed for good. In their absence, came darkness—blackouts, empty cupboards, hazy nights she can't remember. What keeps Sonya from losing herself completely is Tommy, her son. But her immense love for Tommy is in fierce conflict with her immense love of the bottle. Addiction amplifies her fear of losing her child; every maternal misstep compels her to drink. Tommy's precious life is in her shaky hands. Eventually Sonya is forced to make a choice. Give up drinking or lose Tommy—forever. Bright Burning Things is an emotional tour-de-force—a devastating, nuanced, and ultimately hopeful look at an addict's journey towards rehabilitation and redemption. *“At once a historical mystery, a legal thriller, and a romance novel.”—The Philadelphia Inquirer • Charlotte Gold is shocked when her ex-fiancé Brian appears on the doorstep of her law office with a troubling case. Roger Dykmans, a wealthy financier and the brother of a Holocaust hero, has been accused of World War II-era war crimes, including the betrayal of his brother and the Jews he tried to save. All Charlotte needs to do is travel to Munich and help Brian's estranged brother Jack prove Roger's innocence. Despite her misgivings, Charlotte agrees, but the case is soon hindered by the client himself. Roger refuses to help with his own defense, revealing only that proof of his innocence lies inside an intricate timepiece last seen in Nazi Germany. As Jack and Charlotte track the anniversary clock through the past century, they learn of Roger's love for his brother's Jewish wife, Magda, and the tragic decisions he had to make to save her—all the while fighting a growing attraction of their own. After escaping from an Eastern European concentration camp where he has spent most of his life, a twelve-year-old boy struggles to cope with an entirely strange world as he flees northward to freedom in Denmark. In her luminous and groundbreaking debut, bestselling author Pam Jenoff shows the unimaginable sacrifices one woman must make in a time of war*

*Nineteen-year-old Emma Bau has been married only three weeks when Nazi tanks thunder into her native Poland. Within days Emma's husband, Jacob, is forced to disappear underground, leaving her imprisoned within the city's decrepit, moldering Jewish ghetto. But then, in the dead of night, the resistance smuggles her out. Taken to Krakow to live with Jacob's Catholic aunt, Krysia, Emma takes on a new identity as Anna Lipowski, a gentile. Emma's already precarious situation is complicated by her introduction to Kommandant Richwalder, a high-ranking Nazi official who hires her to work as his assistant. Urged by the resistance to use her position to access details of the Nazi occupation, Emma must compromise her safety—and her marriage vows—in order to help Jacob's cause. As the atrocities of war intensify, Emma must make choices that will force her to risk not only her double life, but also the lives of those she loves. From the National Book Award-winning author of Just Kids: a “sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is” (Vanity Fair), told through the cafés and haunts she has worked in around the world. Patti Smith calls this bestselling work “a roadmap to my*

life." *M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo's Casa Azul in Mexico; to the fertile moon terrain of Iceland; to a ramshackle seaside bungalow in New York's Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer's craft and on artistic creation. Here, too, are singular memories of Smith's life in Michigan and the irremediable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform artists at work today. Featuring a postscript with five new photos from Patti Smith *The USA Today*-bestselling author's French Revolution trilogy reaches a stunning finale with "a glorious, wonderful book!" (Mary Balogh). At sixteen, high-born Lady Emily had been found alone with Leon Devereux and was summarily forced to wed the wild, notoriously seductive rake. But it had been a marriage in name only, and soon the handsome rogue left to seek his fortune. Now, the scoundrel has returned, demanding to consummate their union, but Emily has no intention of honoring her "husband," no matter how irresistible his caresses. When he sought asylum from the horrors of the French Revolution in England, Leon Devereux's unruly ways earned him the contempt of the haute ton. Yet his heart belonged only to Emily, whose reputation he was forced to protect by marrying her when she was barely more than a girl. But now, Emily has blossomed into a woman who makes Leon hunger for a love he's never known—a love he'll show her if only she'd let him. "I would recommend this book very highly to anyone looking for a romance with a good mystery and intriguing sub-plots."
