"A treat for long-time fans as well as a perfect introduction for newcomers to this classic series of dramatic mysteries featuring Joanne Kilbourn, from "the queen of Canadian crime fiction." (Winnipeg Free Press) In The Last Good Day, Joanne meets the tough-yet-tender criminal lawyer and paraplegic playboy Zack Shreve, who will soon take on a key role in her life. The occasion is tragic; a young legal colleague of Zack's plunges his car into a northern lake only hours after beginning to tell Joanne a disturbing secret. In The Endless Knot, Zack and Joanne find themselves enmeshed in a violent crime. Their diverging loyalties and obligations test their growing relationship.

It is put under strain again in *The Brutal Heart*, when a birthday barbecue is interrupted by a phone call informing Zack of the suspicious death of a local call girl -- one whose guilt-edged client list once included Zack himself. *The Nesting Dolls* begins in a blizzard. A young woman hands a baby to a friend of Joanne's teenage daughter and disappears. Hours later, the young woman's body is found in a parking lot. Soon, two women with compelling claims are fighting over the child and again, Zack and Joanne find themselves on different sides of a conflict that threatens to tear more than one family apart. In *Kaleidoscope*, Joanne has just retired from her university career, and is looking forward to a summer at the family cottage. Only a last-minute change of plans keeps the Kilbourn-Shreve clan from tragedy when their home, and Joanne's own past, become flashpoints in an increasingly deadly battle between developers and activists over the future of a troubled neighbourhood. *The Gifted* focuses on Joanne and Zack's teenage daughter, Taylor, who is already an impressively talented artist. Taylor falls under the spell of a beautiful but damaged young artists' model, and soon Joanne discovers not only that the young man has dark secrets but that at least one of her own friends may be complicit in a plan that could put Taylor's life at risk. The bundle includes an excerpt from the 15th in Joanne Kilbourn series, *12 Rose Street*, as well as a Q & A with the author. *Falling for Him* Christian, the youngest O'Halloran brother, has a problem, and her name is Mariah Douglas. *The Midnight Sons* secretary is always losing his messages, misplacing his files and generally creating chaos. Despite that, he can't get her out of his mind.... *Ending in Marriage* The clashes between pilot Duke Porter and Seattle attorney Tracy Santiago are legendary. Duke's a tough, rugged individualist who delights in expressing outrageous opinions, particularly when Tracy's around. But she gives as good as she gets...and not just when they're arguing! *Midnight Sons and Daughters* Scott O'Halloran and Chrissie Harris are all grown up now. After years away from Alaska, Scott's back in town, and everybody's wondering if he's here to stay. Story Behind the Book “While studying American history in high school, I was struck with a strange fascination for the Civil War. That fascination grew stronger when I studied it again in college, and I’ve visited many of the sites where the battles took place. When I visited the Appomattox Court House in Virginia, where General Robert E. Lee signed the documents of surrender before General Ulysses S. Grant, I was struck with the thought of creating a series of novels based upon specific battles in the Civil War. I wanted to mold fictional characters with real ones and fill the stories with romance, suspense, intrigue, and the excitement of battle. That’s how the Battles of Destiny series came to be.” –Al Lacy

Annotation This third volume of the Savage Frontier series focuses on the evolution of the Texas Rangers and frontier warfare in Texas during the years 1840 and 1841. Comanche Indians were the leading rival to the pioneers during this period. Peace negotiations in San Antonio collapsed during the Council House Fight, prompting what would become known as the "Great Comanche Raid" in the summer of 1840. Stephen L. Moore covers the resulting Battle of Plum Creek and other engagements in new detail. Rangers, militiamen, and volunteers made offensive sweeps into West Texas and the Cross Timbers area of present Dallas-Fort Worth. During this time Texas' Frontier Regiment built a great military road, roughly parallel to modern Interstate 35. Moore also shows how the Colt repeating pistol came into use by Texas Rangers. Finally, he sets the record straight on the battles of the legendary Captain Jack Hays. Through extensive use of primary military documents and first-person accounts, Moore provides a clear view of life as a frontier fighter in the Republic of Texas. The reader will find herein numerous and painstakingly recreated muster rolls, as well as casualty lists and a compilation of 1841 rangers and minutemen. For the exacting historian or genealogist of early Texas, the Savage Frontier series is an indispensable resource on early nineteenth-century Texas frontier warfare. These are stories about loving couples who are seeking out that transgressive spark to reignite the desire between them. The women do this by granting strange men access to their sexuality, which is normally reserved for their husband or boyfriend. They are breaking the rules and bringing novelty and mystery back into their stable, predictable relationships. They are shaking things up and renewing themselves as objects of desire. The first section is about dominant women who are confidently journeying into unexplored erotic territory with new men. The second section is about women who are pursued and submit to the aggression of other men, recognizing that their misconduct will help their own husband or boyfriend see them with new eyes. The third section is comprised of some older, shorter pieces that are punchier and jump right into the action. Some of the fantasies explored in this collection include: - A woman strips for her boyfriend's buddies, demanding that they honestly rate her body. - A wife goes back into the bar to perform oral favors for a jerk who just fought with her husband. - A husband comes home late from work to find his wife drinking with his friends, dressed only in her skimpy lingerie. - An aggressive man talks a couple he just met in a coffee shop into letting the wife come back to his studio to sit for a nude portrait. - A rough jock crashes a geeky board game party and takes liberties with the giggling, bespectacled

FOR MATURE READERS At the age of ten in the mid-1970's, David Marcum discovered Mr. Sherlock Holmes, and from that point, he knew that the original 60 Canonical adventures would never be enough. This, coupled with his life-long desire to write, meant that eventually he would find a way to add new stories to The Great Holmes Tapestry. The years passed, and David collected, read, and chronologicized literally thousands of traditional Canonical Sherlockian pastiches. Then, in 2008, with time on his hands while laid off from his civil engineering job during the Great Recession, David finally found his way to Watson's Tin Dispatch Box, producing The Papers of Sherlock Holmes. These first nine short stories originally sat on a shelf in his Holmes book collection before he eventually decided to share them with others. That first collection was initially published by a small press in 2011, and then in 2013 by the premiere Sherlockian publisher, MX Publishing – and after that, there was no turning back. Since then, in addition to editing over 60 volumes (most of which are Sherlockian anthologies), David has written and published over 80 Sherlockian adventures in a variety of anthologies and magazines. Now these are being collected – along with a few others that haven't been seen before. These first five volumes contain the majority of David's Holmesian stories

– so far, with additional adventures to be collected and published as part of this ongoing series in 2022. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, the man described by the estimable Dr. Watson as “the best and wisest . . . whom I have ever known.” The game is afoot! Three full-length novels in one volume. Example in this ebook **CHAPTER I**. The drawing-room within was very different from the wild conflict of light and darkness outside. There was music going on at one end, some people were reading, some talking. There were flirtations in hand, and grave discussions. In short, the evening was being spent as people are apt to spend the evening when there is nothing particular going on. There had been a good deal of private yawning and inspection of watches throughout the evening, and some of the party had already gone to bed, or rather to their rooms, where they could indulge in the happiness of fancying themselves somewhere else—an amusement which is very popular and general in a country house. But seated in an easy-chair by the fire was a tall man, carefully dressed, with diamond studs in his shirt, and a toilette which, though subdued in tone as a gentleman's evening dress must be, was yet too elaborate for the occasion.

The fact that this new guest was a stranger to him, and that his father was seated by him in close conversation, made it at once apparent to Ned that it must be Golden. Clara was close to them listening with a look of eager interest to all they said. These three made a little detached group by one side of the fire. At the other corner sat Mrs Burton, with her little feet on a footstool, as near as possible to the fender. She had just said good-night to the dignified members of the party, the people who had to be considered; the others who remained were mere young people, about whose proceedings she did not concern herself. She was taking no part in the talk at the other side of the fire. She sat and warmed her little toes and pondered; her vivid little mind all astir and working, but uninfluenced by, and somewhat contemptuous of, what was going on around; and her chilly little person basking in the ruddy warmth of the fire. Ned came up and stood by her when he came in. No one took any notice of him, the few persons who remained in the room having other affairs in hand. Ned was fond of his mother, though she had never shown any fondness for him. She had done all for him which mere intellect could do. She had been very just to the boy all his life; when he got into scrapes, as boys will, she had not backed him up emotionally, it is true, but she had taken all the circumstances into account, and had not judged him harshly. She had been tolerant when his father was harsh. She had never lost her temper. He had always felt that he could appeal to her sense of justice—to her calm and impartial reason. This is not much like the confidence with which a boy generally throws himself upon his mother's sympathy, yet it was a great deal in Ned's case. And accordingly he loved his mother. Mrs Burton, too, loved him perhaps more than she loved any one. She was doing her best to break his heart; but that is not at all uncommon even when parents and children adore each other. And then Ned was not aware that his mother had any share intentionally or otherwise in the cruel treatment he had received. 'Who is that?' he asked under his breath. 'A Mr Golden, a friend of your father's,' said Mrs Burton, lifting her eyes and turning them calmly upon the person she named. There was no feeling in them of one kind or another, and yet Ned felt that she at least did not admire Mr Golden, and it was a comfort to him. He went forward to the fire, and placed himself, as an Englishman loves to do, in front of it. He stood there for ten minutes or so, paying no particular attention to the conversation on his right hand. His father, however, looked more animated than he had done for a long time, and Clara was bending forward with a faint rose-tint from the fire tinging the whiteness of her forehead and throat, and deeper roses glowing on her cheeks. Her blue eyes were following Mr Golden's movements as he spoke, her hair was shining like crisp gold in the light.

Epic in its scope, it utilizes the Greek and Trojan characters from Homers Iliad and the Gods who pulled their strings. Throughout history fragments of this tale have formed the cornerstone of drama and literature. Each piece engrossing enough to stand alone, mortared together they become majestic. *Honored By Man* utilizes all the known history, myth and poetry surrounding the Trojan War and tells the story from the Divine curses setting it in motion to the disgruntled homecomings of the few left alive. It is told from three vantagepoints: Greece, Troy, and Olympus. The cast of characters is an enormous gathering of heroes and heroines with the Gods larger than life. On the Greek side, Helen, with her sisters Timandra and Clytaemestra, dominate the women; Achilles, Patroclus, Odysseus, and Agamenmon lead the men. The Trojans are equally strong. The Queen Hecuba, her many daughters and Andromache are the main ladies while the suave Paris, noble Hector, smooth Deiphobus and steady Helenus are the leading men. The Gods play equally with the lives of everyone. The novel begins in Sparta with all the Kings of Greece gathered to try for Helens

hand. The future heroes on the Greek side are introduced as well as the heroines. The action quickens with Paris introduction and subsequent abduction of Helen. With the scene switching back and forth from the Greek encampment to behind the Trojan fortress, ten long years of war follow culminating in the bloody sack of the city, and the few survivors heading homeward. Everyone knows the story; few know its entirety. Honored By Man breaths life and depth into the illustrious characters of Homer and weaves the threads of myth, poetry and history into a tapestry savored by all readers.
